The Best Reward For
Last Year's Work is the
Power to Do Something
Better This Year

Each time that a woman bakes gingerbread it ought to be better gingerbread than the one that came out of the oven the time before.

Doing is learning. This country knows more today because it had its Washington, Lincoln and Franklin as it has Edison today. Every great undertaking is made up of past endeavors, plus ambition and the new visions.

We started 1913 where we left off at the end of 1912, and better service, better knowledge, better goods will be the actual reward of last year's faithful and earnest work.

Final
Out-Clearing
of
Furs and
Fur Coats
at
HALF PricesA Turnout of Women's Winter Coats,
Suits and Dresses

It takes so many thousands of garments, to make up our regular stocks that to us these collections or groups are as "a drop in the bucket" and we can let them go at very low prices. In this case at a fourth to half, sometimes two-thirds—without wincing.

WINTER SUITS AT \$17.50 instead of \$25.00, \$35.00 and \$40.00, make it very interesting to the last of twenty-two women who come today.

COATS \$10.00—For small women; a miscellany group of 26 coats were \$15.00 to \$30.00.

\$25.00 VELVET DRESSES FOR \$10.00—Black and blue in sizes 14 and 16 only. Two styles.

SERGE SUITS \$15.00—Instead of \$21.50; and \$20.00 instead of \$25.00. Black and blue Men's Wear Serges. All sizes.

SKIRTS AT \$4.95—For \$10.00, average value. Black and blue serges and tan and grey two tone diagonals. Broken line sizes.

A New Fabric—Ratine
and Crepe

A season of Ratine is Fashion's prediction. So charmingly adaptable has this material proved itself for both suits and gowns that all indications point to an even greater popularity this year. We give particular mention to a combination weave—"Ratine and Crepe"—with a linen finish. 27 inches wide. Price 29c a yard.

Six Different Lingerie
Waists Are Here Today

Notice that all of them have the long sleeves that are so much in favor also that all of them are of soft, fine batiste or voile trimmed with the prettiest laces.

They are all advance Spring Styles to be worn with the tailored suit. Prices are from \$1.00 to \$3.50.

600 Silk Petticoats, \$1.95

It was never so important to remember every skirt is pure silk, of finest \$1.50 a yard grade. Messalines or Soft Taffeta, plain and changeable.

One of the Surest Roads
to Foot Comforts

is the frequent changing of shoes. It will cost less right now in the Parsons-Souders Sale of Winter styles and out-clearing of all broken size lines. Women and girls can pick up a pair of good shoes at prices averaging just about a third.

Preserve the Hair By
Frequent Brushing

but be sure of the right brush; either of the following we consider perfectly reliable.

"IDEAL" BRUSHES, 98c, \$1.19, \$1.50.

"SPOTLESS" BRUSHES, 50c and \$1.00.

"KEEPCLEAN" BRUSHES, red-bak and ebony backs with pure aluminum face, pure bristles; easy to keep clean. Prices 50c, 75c and \$1.00.

Just Out Of Their Wrap-
ping Are New Silk
Poplins

Forty inches wide, at \$1.00 a yard. And we want you to see the new shades of Tan, American Beauty Red, Royal Blue, Navy Blue, Grey, Wisteria and Black.

Visiting New York recently, silk Poplins were much in evidence in the model gowns seen in the show rooms of the various dress making establishments. It is our prediction you'll see much of it in dressy spring affairs.

GRAY SHIRTS

New Silk Shirts white grounds with colored stripes; special \$2.00. All sizes.

SOCIAL

Elks' Social Session.

Chairman A. A. Crawford has everything ready for a big social session of Elks tonight after the initiation of several candidates.

The social session tonight is being whispered around among the antlered herd as "That Old Time Social Session" and doubtless the largest number of Elks to attend a session will be on hand promptly for the big doings. The session is expected to eclipse others of late owing to the fact that it will be great as there will be a large number of entertainers, fine on account of their talent, and it will be a fine session on account of the large crowd which is expected to attend.

"Archie" Crawford, the popular and efficient chairman of tonight's entertainment, has been fortunate in being so ably assisted by A. J. Smith, who has the entertainment program in charge. Among the artists who will appear, are the Bernice Brothers, performers with the violin, and who are upon the program at the Victoria theater. Then the star three-man act from the Odeon theater has been secured. There will also be a flash-o-graph upon the moving picture machine, operated by Arthur Swager. The play is one pertaining to the latest political situation in this state and it exploits the doings of a well known political aspirant. It is a great tonic.

Frank Cook will be heard from with a specialty upon the drums and traps; Eugene Richards, Emmett Gill, Duke Wells, Charles Gill, Wirt Lewis, Percy Byrd and A. J. Smith will render popular songs and Messrs. Shinn and Kane will do a clever dance. The Cadanza orchestra will furnish music for the occasion.

Mrs. Spring Entertains.

Mrs. Ella Spring entertained most delightfully in her home at Nuttendale Monday night from 8 to 12 o'clock, having as her guest Mrs. Maud Phillips, of Granton. Music and games were indulged in. A guessing contest in which Mr. Reed Spring won first prize was a feature of the evening's entertainment. At a seasonable hour Mrs. Spring invited the guests into the dining room, where a table that was beautifully decorated for the occasion and heavily laden with cakes, oranges, bonbons and other delicacies, which the guests partook of freely. Later the crowd adjourned to the parlor.

Effective Home Remedy
for Tuberculosis

It is a serious matter when the lungs are infected. A trip away or to a sanatorium is not only expensive, but it involves separation from home and friends. Some are benefited, but few can safely return. Eckman's Alternative is effective for home treatment. For example, 231 S. Atlantic Ave., Haddonfield, N. J.: "Gentlemen: In the fall of 1905 I contracted a very severe cold, which settled on my lungs. At last I began to raise spittle, and my physician then told me I must go to California immediately. At this time I was advised to take Eckman's Alternative. I stayed at home and commenced taking it the last week in October. I began to improve, and the first week in January, 1906, I resumed my regular occupation, having gained 25 pounds, fully restored to health. Now five years since my recovery has been effected, and I cannot praise Eckman's Alternative too highly. I have recommended it with excellent results." (Signed) W. M. TATEM.

Eckman's Alternative is effective in Bronchitis, Asthma, Hay Fever, Throat and Lung Troubles, and in upbuilding the system. Does not contain poisons, opiates or habit-forming drugs. Ask for booklet telling of recoveries, and write to Eckman Laboratory, Philadelphia, Pa. for more evidence. For sale by all leading druggists.

Grandma Talks
About Babies

Has a large Circle of Listeners Who Profit by Her Wisdom and Experience.

In almost any settled community there's a grandma who knows Mother's Friend. Not only is she reminiscent of her own

experience, but it was through her recommendation that so many young, expectant mothers derived the comfort and blessing of this famous remedy.

Mother's Friend is applied externally to the abdomen, stomach and breasts, allays all pain, avoids all bottles, and prevents caking of the breasts.

It is quickly and wonderfully penetrating, permits the muscles to expand without the strain on the ligaments, and prepares the system so thoroughly that the crisis is passed almost without the slightest distress. Thus there need be no such thing as dread or fear.

No better nor more cheering advice can be given the expectant mother than to suggest the use of Mother's Friend. She will take courage from the beginning. The days will be cheerful, the nights restful. Thus the baby is preserved, the mind is in repose and the period is an unending one of quiet, joyful anticipation.

You can obtain Mother's Friend of any druggist at \$1.00 a bottle. Do not forget nor neglect to be supplied with this greatest remedy even devised for motherhood. It is untailing. Write at once to Bradfield Regulator Co., 133 Lamar Bldg., Atlanta, Ga. for their very interesting and instructive book of advice for expectant mothers.
